Mr. Rackauckas

Orange County District Attorney

401 Civic Center Drive West

Santa Ana, CA 92702

Dear Mr. Rackauckas:

I would like to formally present a request to your office to investigate possible criminal activity by Harish "Harry" Sidhu.

On December 29, 2009 Mr. Sidhu re-registered to vote, citing his new address as 2230 West Lincoln Ave. Apartment #106 in Anaheim, the site of the Calabria apartments. Approximately one month later Mr. Sidhu re-registered at yet another address, 2215 S. Lucky Way, also in Anaheim. His purpose was to qualify to run for the office of County Supervisor for the 4th Supervisorial District. His prior voting address is located in the 3rd District.

I have investigated Mr. Sidhu's so-called residency at 2230 West Lincoln Avenue, Apartment #106 and have found it to be completely fraudulent. According to the resident building manager (see attached) the arrangement was set up surreptitiously by one of the building's owners and that no record of leasehold or tenancy exists. Neither the manager or the neighbors have ever seen Mr. Sidhu at that location, and no evidence of any occupancy exists. In fact several neighbors claim that the unit has been vacant for over a year.

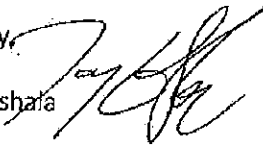

Attached you will find the detailed reports produced by my investigator that support my assertion.

I believe Mr. Sidhu falsified public documents and perjured himself on both voter registration forms (certified Voter Registration Form attached) and caused others to abet him in perpetrating voter fraud.

Thank you for your immediate attention to this matter.

Sincerely,

Tony Bushala
