AGREEMENT FOR PROFESSIONAL SERVICES

This Agreement for professional services ("Agreement") is made and entered into by and between the City of Fullerton (hereinafter referred to as "City"), and Cornerstone Communications (hereinafter referred to as "Consultant").

The City and the Consultant agree as follows:

RECITALS

A. The City does not have the personnel/expertise available to perform the services required under this Agreement.

B. The City desires to contract out for consulting services to develop and manage content for the Police Department website.

C. The Consultant warrants to the City that it has the qualifications, experience and facilities to perform properly and timely the services under this Agreement.

D. The City desires to contract with the Consultant to perform the services described in Exhibit A of this Agreement.

NOW, THEREFORE, the City and Consultant agree as follows:

1.0 SCOPE OF THE CONSULTANT’S SERVICES. The Consultant agrees to develop a new website for the Police Department that will link to social media sites, offer detailed information about the department and provide more accessibility to residents. The Consultant also agrees to provide ongoing content development during the agreement period. The Scope of Work may be amended from time to time by way of a written directive from the City.

2.0 TERM OF AGREEMENT. This Agreement will become effective on April 1, 2013 and will remain in effect for a period of six (6) months from said date unless otherwise expressly extended and agreed to by both parties or terminated by either party as provided herein.

3.0 CITY AGENT. The City Manager, for the purposes of this Agreement, is the agent for the City. Whenever approval or authorization is required, Consultant understands that the City Manager has the authority to provide that approval or authorization.

4.0 COMPENSATION FOR SERVICES. The City shall pay the Consultant for its professional services rendered and costs incurred pursuant to this Agreement in accordance with the Consultant’s fee and cost schedule included in the Proposal. The cost of services shall not exceed $40,000, consisting of $8,000 for development of the website and $5,000 monthly for content management. No additional compensation shall be paid for any other expenses incurred unless first approved by the City Manager.
4.1 The Consultant shall submit to the City a bill for services according to the project schedule included in the Proposal. The City shall pay the Consultant upon thirty (30) days of receipt of the invoice.

4.2 No payment made hereunder by City to Consultant, other than the final payment, shall be construed as an acceptance by City of any work or materials, nor as evidence of satisfactory performance by Consultant of its obligations under this Agreement.

5.0 CONFLICT OF INTEREST. The Consultant represents that it presently has no interest and shall not acquire any interest, direct or indirect, in any real property located in the City which may be affected by the services to be performed by the Consultant under this Agreement. The Consultant further represents that in performance of this Agreement, no person having such interest shall be employed by it.

5.1 The Consultant represents that no City employee or official has a material financial interest in the Consultant’s business. During the term of this Agreement and/or as a result of being rewarded this contract, Consultant shall not offer, encourage or accept any financial interest in the Consultant’s business by any City employee or official.

6.0 GENERAL TERMS AND CONDITIONS.

6.1 Termination. Either the City Manager or Consultant may terminate this Agreement, without cause, by giving the other party ten (10) days written notice of such termination and the effective date thereof.

6.1.1 In the event of such termination, all finished or unfinished documents, reports, photographs, films, charts, data, studies, surveys, drawings, models, maps, or other documentation prepared by or in the possession of the Consultant under this Agreement shall be returned to the City. If the City terminates this Agreement without cause, the Consultant shall prepare and shall be entitled to receive compensation pursuant to a close-out bill for services rendered and fees incurred pursuant to this Agreement through the notice of termination. If the Consultant terminates this Agreement without cause, the Consultant shall be paid only for those services completed in a manner satisfactory to the City, which shall not be unreasonably determined.

6.1.2 If the Consultant or the City fail to fulfill in a timely and proper manner its obligations under this Agreement, or if the Consultant or the City violate any of the covenants, agreements, or stipulations of this Agreement, the Consultant or the City shall have the right to terminate this Agreement by giving written notice to the other party of such termination and specifying the effective date of such termination. The Consultant shall be entitled to receive compensation in accordance with the terms of this Agreement for any work satisfactorily completed hereunder. Notwithstanding the foregoing, the Consultants shall not be relieved of liability for damage sustained by virtue of any breach of this Agreement and any payments due under this Agreement may be withheld to off-set anticipated damages.
6.2 Non-Assignability. The Consultant shall not assign or transfer any interest in this Agreement without the express prior written consent of the City.

6.3 Non-Discrimination. The Consultant shall not discriminate as to race, creed, gender, color, national origin or sexual orientation in the performance of its services and duties pursuant to this Agreement and will comply with all applicable laws, ordinances and codes of the Federal, State, County and City governments.

6.4 Insurance. The Consultant shall submit to the City certificates indicating compliance with the following minimum insurance requirements no less than one (1) day prior to beginning of performance under this Agreement:

(a) Workers' Compensation Insurance as required by the State of California and employers' liability insurance with limits of not less than $1,000,000 each accident. Insurer shall waive their right of subrogation against the City, its officers and employees for work done on behalf of the City.

(b) Commercial general liability insurance in a form at least as broad as ISO Form #CG 0001 ED. 11/88, with a limit of not less than $1,000,000 each occurrence. If such insurance contains a general aggregate limit, it shall apply separately to the Agreement or shall be twice the required occurrence limit.

(c) Business automobile liability insurance coverage in a form at least as broad as ISO Form # CA 0001 T ED. 6/92, with a limit of not less than $1,000,000 each accident. Such insurance shall include coverage for owned, hired and non-owned automobiles.

(d) Professional liability insurance appropriate to CONSULTANT profession with a limit of not less than $1,000,000. Architects' and engineers' coverage shall be endorsed to include contractual liability. If policy is written as a "claims made" policy, the retro date of the policy shall be prior to the start of the contract work.

(e) Each such policy of insurance shall:

1) Be issued by a financially responsible insurance company or companies admitted or authorized to do business in the State of California or which is approved in writing by the City.

2) Name and list as additional insured the City, its officers and employees.

3) Specify its acts as primary insurance.

4) Contain a clause substantially in the following words: "It is hereby understood and agreed that this policy shall not be canceled except upon thirty (30) days prior written notice to the City of such cancellation or material change."

5) Cover the operations of the Consultant pursuant to the terms of
this Agreement.

6.5 **Indemnification.** Consultant agrees to indemnify, defend and hold harmless the City and/or any other City agency, for/from any and all claims or actions of any kind asserted against the City and/or any other City agency arising out of Consultant's (including Consultant's employees, representatives, products and subcontractors) negligent performance under this agreement, excepting only such claims or actions which may arise out of sole or active negligence of the City and/or any other City agency, or any third parties not acting on behalf of, at the direction of, or under the control of the Consultant.

6.6 **Compliance With Applicable Law.** The consultant and the City shall comply with all applicable laws, ordinances and codes of the Federal, State, County and City governments.

6.7 **Independent Contractor.** This Agreement is by and between the City and the Consultant and is not intended, nor shall it be construed, to create the relationship of agency, servant, employee, partnership, joint venture or association, as between the City and the Consultant.

6.7.1. The Consultant shall be an independent contractor and shall have no power to incur any debt or obligation for or on behalf of the City. Neither the City nor any of its officers or employees shall have any control over the conduct of the Consultant, or any of the Consultant's employees, except as herein set forth, and the Consultant expressly warrants not to, at any time or in any manner represent that it, or any of its agents, servants or employees are in any manner employees of the City, it being distinctly understood that the Consultant is and shall at all times remain to the City a wholly independent contractor and the Consultant's obligations to the City are solely such as are prescribed by this Agreement.

6.8 **Copyright.** No reports, maps or other documents produced in whole or in part under this Agreement shall be the subject of an application for copyright by or on behalf of the Consultant.

6.9 **Legal Construction.**

a) This Agreement is made and entered into in the State of California and shall in all respects be interpreted, enforced and governed under the laws of the State of California.

b) This Agreement shall be construed without regard to the identity of the persons who drafted its various provisions. Each and every provision of this Agreement shall be construed as though each of the parties participated equally in the drafting of the same, and any rule of construction that a document is to be construed against the drafting party shall not be applicable to this Agreement.

c) The article and section, captions and headings herein have been inserted for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction.

d) Whenever in this Agreement the context may so require, the masculine
gender shall be deemed to refer to and include the feminine and neuter, and the singular shall refer to and include the plural.

6.10 **Counterparts.** This Agreement may be executed in counterparts and as so executed shall constitute an Agreement which shall be binding upon all parties herein.

6.11 **Final Payment Acceptance Constitutes Release.** The acceptance by the Consultant of the final payment made under this Agreement shall operate as and be a release of the City from all claims and liabilities for compensation to the Consultant for anything done, furnished or relating to the Consultant’s work or services. Acceptance of payment shall be any negotiation of the City’s check or the failure to make a written extra compensation claim within ten (10) calendar days of the receipt of that check. However, approval or payment by the City shall not constitute, nor be deemed, a release of the responsibility and liability of the Consultant, its employees, sub-consultants and agents for the accuracy and competency of the information provided and/or work performed; nor shall such approval or payment be deemed to be an assumption of such responsibility or liability by the City for any defect or error in the work prepared by the Consultant, its employees, sub-consultants and agents.

6.12 **Corrections.** In addition to the above indemnification obligations, the Consultant shall correct, at its expense, all errors in the work which may be disclosed during the City’s review of the Consultant’s report or plans. Should the Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by the City, and the cost thereof shall be charged to the Consultant.

6.13 **Files.** All files of the Consultant pertaining to the City shall be and remain the property of the City. The Consultant will control the physical location of such files during the term of this Agreement and shall be entitled to retain copies of such files upon termination of this Agreement.

6.14 **Waiver; Remedies Cumulative.** Failure by a party to insist upon the performance of any of the provisions of this Agreement by the other party, irrespective of the length of time for which such failure continues, shall not constitute a waiver of such party’s right to demand compliance by such other party in the future. No waiver by a party of a default or breach of the other party shall be effective or binding upon such a party unless made in writing by such party, and no such waiver shall be implied from any omissions by a party to take any action with respect to such default or breach. No express written waiver of a specified default or breach shall affect any other default or breach, or cover any other period of time, other than any default or breach and/or period of time specified. All of the remedies permitted or available to a party under this Agreement, or at law or in equity, shall be cumulative and alternative, and invocation of any such right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right of remedy.

6.15 **Mitigation of Damages.** In all such situations arising out of this Agreement, the parties shall attempt to avoid and minimize the damages resulting from the conduct of the other party.
6.16 Partial Invalidity. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

6.17 Attorney’s Fees. The parties hereto acknowledge and agree that each will bear his or its own costs, expenses and attorney’s fees arising out of and/or connected with the negotiation, drafting and execution of the Agreement, and all matters arising out of or connected therewith except that, in the event any action is brought by any party hereto to enforce this Agreement, the prevailing party in such action shall be entitled to reasonable attorney’s fees and costs in addition to all other relief to which that party or those parties may be entitled.

6.18 Entire Agreement. This Agreement constitutes the whole agreement between the City and the Consultant, and neither party has made any representations to the other except as expressly contained herein. Neither party, in executing or performing this Agreement, is relying upon any statement or information not contained in this Agreement. Any changes or modifications to this Agreement must be made in writing appropriately executed by both the City and the Consultant.

6.22 Interpretation Against Drafting Party. CITY and CONTRACTOR agree that they have cooperated in the review and drafting of this agreement.
